THE HERITAGE of FLEET STREET

April 2026

St Bride's Church, known as the Journalists' Church, has a history of almost 2,000 years. Its crypt contains remains of earlier churches, Roman paving and artefacts from around AD 180.

The present church was designed by Sir Christopher Wren and completed in 1675. It was damaged in the Blitz in 1940 and rebuilt in 1951 with support from Fleet Street's newspaper industry.

The church has a famous spire, which is said to have inspired the first tiered wedding cake. Today, St Bride's remains a peaceful place of worship and an important part of Fleet Street.
